

Contest 9: Energy Balance

Teams whose houses have produced a net amount of electrical energy of 0.0 kWh or more over the course of the continuously measured portion of Contest Week will earn 100 points. Teams whose net electrical production is less than -10.0 kWh will receive 0 points. Teams whose net electrical production is less than 0.0 kWh but greater than -10.0 kWh will receive points that have been scaled linearly, as illustrated in the graph below.

Full Points:	Net Energy	\geq	0 kWh
Reduced Points:	-10 kWh < Net Energy	<	0 kWh
No Points:	Net Energy	\leq	-10 kWh

Contest Activity	Points Available
Energy Balance Measurement	100
TOTAL	100
